PART II: ACTION BY AIA ARCHITECTURAL CONTROL COMMITTEE

Date: _____

- A. We have examined the submitted plans and find that the (meet) (do NOT meet) the letter and tenor of the Protective Covenants.
B. Reasons, Comments, Recommendations (include references to paragraphs in Covenants, if applicable): _____

- C. Your plans will be held on file by the Architectural Control Committee (ACC) until the construction is completed.
D. If approved, approval is valid for a period of 90 days from the date thereof. If construction has not been substantially commenced within that period, the applicant shall either 1) obtain a written extension from the ACC, or 2) at the ACC's sole discretion, be required to re-submit the plans/specifications for any structure(s) to be placed on said lot. In either case, the owner shall be subject to Protective Covenants then in effect.
E. Construction must be completed within 9 months of approval; If not, an extension of 3 months may be requested.
