HOA Board elections . We will be electing 4 board members this year. The June 2nd deadline has expired but it's not too late to submit your name for board election. If you are interested in submitting your name for nomination please contact Pete Olejnik (allcityappr@msn.com) by **July 2nd**. In this second window of opportunity, submission letters need to be signed by 5 Arrowwood III members in good standing. Contact Deb Fiala (deb.fiala@comcast.net) if you need help with this.

This is a great way to be active in your neighborhood, and make a difference. Currently there are 9 board members to share the 'work' as well as several non board members who are currently taking an active part in various committees/projects. There is a need for more community participation, so that responsibilities can be carried out effectively. For more information email any board member or come along to June's board meeting. (online via zoom)

Fire Mitigation :- AIA is once again sponsoring a Duff bin for Arrowwood residents to dispose of duff (dead pine needles) and pinecones. It will be placed at the top of Stirrup Trail. Many thanks to Wayne Mo for allowing the bin to be placed on his property. The bin will arrive around July 6th for 2 weeks or until full.

Neighborhood A bear has been seen in the Arrowwood neighborhood on at least 2 separate occasions, trash left outside has been searched through and spread out on one occasion.

4th July **AIA prohibits the use of fireworks in our neighborhood.** Our area is currently under Stage 1 Fire Restrictions because of the ongoing hot and dry weather conditions. <https://www.epcsheriffsoffice.com/services/ready-set-go>

Save the Date ABM 12 Sept, Lunch provided at 12.00pm, meeting to follow. Church at Woodmoor outside pavilion, Furrow Rd

Noxious Weeds Please read the attached newsletter that Elizabeth Mayo has compiled regarding control of noxious weeds. There is an area of Arrowwood that has an infestation of Canadian thistle, that the homeowner is working hard to eradicate. It's a lot easier and cheaper to deal with the weeds before it gets to that stage. The fact sheets at the end of the newsletter are helpful in identifying and removing the noxious weeds found in our neighborhood.
