The agenda will be posted on the website

Fire Mitigation :- Chipping day is October 3rd. If you have any slash to be chipped put it street side with all cut ends facing the street by morning of Oct 3rd. Maximum diameter of trunk is 8 inches, with spread of branches no greater than 3 feet. Branches need to be at least 3 ft long, as it is dangerous for operators to feed shorter twigs into chipper. The chippings will be left on your property, it is the home owner's responsibility to remove or spread out the chippings to minimize fire danger. See attached chipping guidance letter.

We need volunteers please Call Steve Merveldt at 719-440-8551. Or smmerve@comcast.net

Please bring your mask, gloves, eye protection, and ear protection.

Meet at 19090 Deerfield Rd @ 8:00AM Oct 3.

Information request:- In order to keep our standing as a Firewise Community Arrowwood III is required to spend 1 volunteer hour or at least \$25.43 per dwelling in our community annually. It would be helpful if each homeowner who has done any fire mitigation work to report time spent and expenses incurred to Elizabeth Mayo at tuumayo@hotmail.com. This will help with the year

end report and renewal process. If you already reported your numbers for the Spring Chipping day no need to re-report those numbers.

ABM:- Many thanks to Robin Adair (Community manager from Pikes Peak office of Emergency Management) for attending and giving very useful information at our ABM.

NEPCO (Northern El Paso County Coalition of Community Associations)
