November 5, 2019

The following are the Firewise Committee for the Arrowwood III Home Owners Association
Elizabeth Mayo tuimayo@hotmail.com 1865 Arrowwood Monument, CO 80132

Action Description Estimated Timeline

Cost Share Funding

In Partnership with Black Forest Together and CSFS pursue all opportunities for fuel reduction cost share for Arrowwood III.

2019 and yearly thereafter.

Structural Hardening

Educate homeowners on the hazards of embers and the importance of structure hardening. Also emphasize the importance of the first 30 feet surrounding the home to prevent ember ignition.

Spring 2020

Right of way improvements

The firewise committee will work with El Paso County DOT to clear fuels from county ROW on Arrowwood III's streets.

Spring 2020

Evacuation improvements

Work with landowners to extend ROW clearing onto private properties to improve evacuation and firefighter access.

Yearly beginning in 2020

Vacant lot fuel reduction.

Contact vacant lot owners. Inform them of the hazards of unmitigated fuels on their properties. 2020 and as often as necessary thereafter.

Community Education Day

Include topics such as fuel reduction and d-space, current fire conditions, zone updates, chainsaw safety & etc.

Yearly

Community Chipping Day

Community drive by chipping day to assist and promote removal of ladder fuels, dense regeneration and other objectives in the action plan

Yearly

**Defensible Space Complete 5 to 10 D-spaces per 2020 and yearly thereafter year
Ingress & Egress Improvement**

Work with landowners to make them aware of the hazards of untreated fuels along driveways and the necessity of proper clearance for emergency fire and medical vehicles.
