

Grocery stores, King Soopers, will deliver groceries for a fee, about \$10.00 or they can be picked up, also a fee of \$4-5. The first 3 orders are free for the curb pick-up. The groceries can be ordered from the store, they do the shopping and you can pick up your groceries at a designated time at the store or have them delivered. So far, the times available are running 3 -4 days in advance.

We don't have any information about Safeway's delivery or curb-side pick-up policies. You can contact the store if needed.
