BOARD MEETING AGENDA March 7, 2018

We had a speaker this week; Brent Ambuel from the Sheriffs Department. He gave a speech on crime in our area, specifically mentioning some ways to deter petty theft. He also spoke about marijuana grows. We have very little crime in our area, but our area is also challenging because it is so large. He also discussed the reality of living along the I-25 corridor, and the fact that Meth is run up and down it.

Call meeting to order – President –Time.....7:35.....

- The board approved February minutes.
- The February Treasurers Report was approved.
- **Architectural Control** – 1904 Furrow Rd. applied for construction approval, there was 2 fence approval requests, and a solar panel approval request.
- **Neighborhood Watch** –No news.
-
- **Fire Wise Community**- \$500 funding applied for, will find out if we get it or not around the end of March.
- -Andre reported that a few of our neighbors have trained to become Wild Fire Assessors, and he can train more. There is a meeting on May 5th, but Andre can't attend it. We do have to stay active to retain our status as a fire wise community.
- **Covenants review**-We have passed 4 out of the 12 sections. We have sent out another plea to those who have not yet voted. There was some discussion on rewording certain passages and resubmitting them for a vote.
- **New Business**-None.

Meeting adjourned at 7:55 PM
